

CULINARY RETREAT OR TEAM BUILDING EVENT

MYSTERY LUNCH/DINNER * HISTORIC TOUR/SHOPPING * PIZZA PORTRAITS

Start your retreat out by REALLY getting to know your co-workers with a Mystery Lunch or Dinner at Lyons Twin Mansions. Sometimes it takes seeing your team members in the guise of someone else to get at who they really are. Characters can be pre-assigned and dinner menu chosen in advance with the goal being to resolve the mystery before the law arrives! Your team leader can guide a discussion over dessert and coffee about how it felt to deal with these “characters”. Prices start at \$24.95 plus tax and gratuity for lunch and \$37.95 plus tax and gratuity for dinner. Experience includes a game facilitator and a cash bar can be available.

Day two offers time for site-seeing in Historic Fort Scott National Historic Site and our National Cemetery. Take a guided tour of the Lowell Milken Center, do some shopping in our historic downtown and have lunch on your own to round out the day.

The evening offers Pizza Portraits an opportunity for each individual or team (your choice) to design a pizza that reflects corporate culture, company leadership or team dynamics. This can be carried out as a competitive exercise a la “Chopped” or a cooperative venture depending on your goals. Completed projects can be presented to entire group with full explanation. Prices begin at \$25 per person and include appetizers, coffee, and iced tea.

Groups are limited to 12 members and food allergies and food aversions will be respected.

Retreats can be tailored to your objectives and can include scavenger hunts, cemetery tours, spa packages, Frisbee golf, or a bike trail through Gunn Park.
